

With more than 20 years of experience in development and production of perfume concepts, is MORE LABELS your ideal partner in the beauty segment. We distribute our own created brands and exclusively selected beauty products worldwide to our customers.

With our experience and knowledge of the international markets, we know exactly what the demands and opportunities are for the different local markets. Our customers are retailers, warehouses, e-commerce and home shopping TV channels. The variety of our products ensures us that we are able to cover the complete market between mass-market and the high end customers.

Beside our own products, we are also specialized in private label productions. Our private label department is ready to support and create your own brands and products.

Regulation and quality is an essential part of the beauty business and this will always have our full attention. During the development and production we willalways follow and implement the international cosmetic regulation. During the productions we will control and follow the processes.

We always try to follow the newest trends and ideas. We implement details from fashion, art and designer industries in our collections.

We are extremely passionate to have high-quality beauty products. This differentiates MORE LABELS in the market. With an eye for detail and personal service we make sure to deliver the finest-quality to our customers.
